Dear Sir
Greetings from ESCI !!!

As the constituent unit of the Institution of Engineers (India), the Engineering Staff College of India (ESCI) is at the forefront in professional development of engineers in both core engineering disciplines and also in the interdisciplinary domains. Recent programs organised by ESCI address emerging areas such as additive manufacturing, information security, unmanned aerial vehicles, engineering analysis and simulation.

ESCI is supporting Technical universities/ Engineering Institutions and organised many programs that focus on Accreditation and Assessment protocols, proficiency development for World Bank TEQIP funded Institutions and employability enhancement of engineering graduates along with capacity development programs for Teaching and Non-Teaching / Administrative Staff, Technicians.

I am enclosing the upcoming program brochures for your kind reference. You may kindly nominate 4-5 faculties/ staff members.

Sl.No	Workshop/ Training Program	Dates	Venue
1.	Workshop on NBA(SAR Filling) through Active Instructional Methods	29-30 November 2017	Port Blair
2.	Lab Management and Maintenance for Lab technicians.	06-08 December 2017	Hyderabad

ESCI can also undertake In-House Training Programs, Workshops, Seminars within your esteemed campus premises for your faculties/ students/ staff. These programs are being designed specially meeting the objectives of TEQIP-III.

I request you to kindly go through the list and let us know the programs that you wish to conduct at your Institution.

You may contact Mr.Sai Kishore.P, Head (FDP Cell), ESCI for more details on 09493056708/ 040-6630 4113/ 09912523285 (or) E-mail: training@escihyd.org.

Thanking you in anticipation

With sincere regards

(Head FDP Cell)
