**Subject: Read to Succeed**

**Dear Sir/ Madam,**

We as a **Class of Excellence**, is pleased to present this proposal for your review. We look forward to partnering with you, to provide a Neuro-Linguistic programming for your students and faculties. The Objective of this Neuro-Linguistic programming is to boost the memory and concentration of the students, Raise their confidence, Build the decision making quality, which gives an unbelievable results, which will be beneficial for them and your organization also.

NLP is very useful for Faculties too, by using NLP tools faculty members can easily build a good Rapport with the students and colleagues, along this, they can increase self potential also, which is a key of success for any organizational growth.

NLP is the fastest growing program in the metro cities and abroad, which has a profitable feedback from various places, along with an unbelievable results, it is very much helpful for personnel growth as well as for organizational growth. We have seen measurable success and we are now seeking to expand NLP to address the needs of all the "At risk student" in your esteemed organization.

We appreciate your time in showing your interest for **Class of Excellence!** Please give me a call in regards to any query or any concern regarding the proposal.

Regards,  
**Manish Kumawat**
