International Seminar and Workshop on Knowledge Based Software Engineering (KBSE)-2013

Tue - Wed, 12 - 13 November 2013

Organized by

Department of Computer Science and Engineering
College of Technology and Engineering, Udaipur
&
CSI Division II [Software], CSI Udaipur Chapter and SIG-WNs
in collaboration with IEI, RSC and ULC

Sponsor

TATA CONSULTANCY SERVICES

Venue:
College of Technology and Engineering
MPUAT, Udaipur

Preamble

Success of all software engineering processes depends on knowledge about application domains, knowledge about current and older information and technologies and knowledge about target software applications.

Objective

The International Seminar on Knowledge Based Software Engineering (KBSE)-2013 , provides international forum where researchers, practitioners and educators share, present and discuss the most recent innovations, trends, experiences and challenges in the field of knowledge based software engineering. KBSE 2013 encourages contributors and experts from academia, industry and government to share leading-edge of knowledge full ideas with inspirational leaders in the field of software engineering. The expected outcome of this seminar is to improve the software engineering research capability.

Banking, Financial Services and Insurance (also known as BFSI) is an industry term for companies that provide a range of such products or services. A domain model in problem solving and software engineering is a conceptual model of all the topics related to a specific problem. It describes the various entities, their attributes, roles, and relationships, plus the constraints that govern the problem domain.

Invited Speakers

Dr. Dhavalkumar Thakker, University of Leeds, UK
Dr. T V Gopal, Chiarman, CSI Division II [Software] , Anna University. Chennai
Prof. P.Thrimurthy, Acharya Nagarjuna University
Ms Preethu Rose,Tata Consultancy Services Limited
Prof. Hari Ram Vishwakarma, VIT UNIVERSITY, Vellore
Dr. Rajveer S Shekhawat, CSI RSC Reg III, Secure meter
Mr. M.L. Talesra, Director Kan Software
Dr. Prasun Bannerjee, Sir Padampat Singhania University
Dr. Chirag Thakkar, LD College of Engineering, Ahmedabad
Dr. Sanjay Shah, Goverment Engg. College, Gandhi Nagar (Guj)
Dr. H. Kumar, UIET, PU, Chandigarh

How to Reach Udaipur

Udaipur is connected by daily Air India and Jet Airways flights from Delhi & Mumbai. It is connected by train from Hazarat Nizamuddin (Delhi 750 KM), Ahmedabad (250 KM) and Mumbai (800 KM). It is also connected with Indore, Ratlam by train & bus.

Venue

College of Technology and Engineering, Udaipur, India

Call for Papers

☐ Papers are invited from academician, industry personnel, industry, entrepreneurs, faculties, students, R&D organizations, engineering and management institutes in the following areas but are not limited to:

☐ Knowledge technologies for semantic web
☐ Ontology engineering
☐ Ontologies and patterns in UML modeling
☐ Knowledge technologies for service-oriented systems
☐ Internet of services and Internet of things
☐ Architecture of knowledge-based systems, including intelligent agents and softbots
☐ Knowledge-based requirements engineering, domain analysis and Modeling
☐ Knowledge engineering for process management and project management
☐ Intelligent user interfaces and human-machine interaction
☐ Methodology and tools for knowledge discovery and data mining
☐ Automating software design and synthesis
☐ Automating composition of components and services, methods to predict the properties of composites
☐ Knowledge-based methods and tools for testing, verification and validation, maintenance and evolution
☐ Decision support methods for software engineering
☐ Knowledge management for business processes, workflows and enterprise modeling
☐ Program understanding, programming knowledge, modeling programs and programmers
☐ Knowledge-based methods and tools for software engineering education
☐ Knowledge-based methods for software metrics

Authors are requested submit to Abstract or full length paper in IEEE format by mail not exceeding six pages MS-Word (.doc format). Authors are requested strictly to adhere the following dates:

1. Last date of submission paper/Abstract: 30th October, 2013 (Extended)
2. Communication for acceptance of paper: 30th October, 2013
