

CTAE Coders Carousel

Official Programming Club,

Department Of Computer Science And Engineering, CTAE Udaipur

Subject: C3 Induction Report

Date: September 12, 2024

We are pleased to present a comprehensive report detailing the introduction of **CTAE Coders Carousel Club** during the Induction program held on September 12, 2024, at the Placement Cell. The session aimed to familiarize new students with the club's key initiatives, achievements, and growth opportunities.

Club Introduction

The session commenced with **Vivan Sharma** introducing the **CTAE Coders Carousel Club**, a platform for the one's passionate about coding, technology, and problem-solving. Students were encouraged to join the club for enhanced exposure to coding domains such as Web Development, App Development, and AI, with opportunities to engage in competitive programming, hackathons, and global competitions, all within a collaborative environment focused on skill development.

The lead coordinators provided concise overview of their respective domains:

- **Competitive Programming: Dhruv Dixit** outlined systematic problem-solving techniques and strategies for tackling complex challenges.
- **Web Development: Deepak Joshi** covered both Frontend and Backend technologies, explaining how they integrate to create functional and dynamic websites.
- **App Development: Vivan Sharma** presented the fundamentals of Native and Hybrid apps, discussing market trends and the demand for app developers.
- **AI & Machine Learning: Anshul Naval** introduced core AI concepts, potential applications, and the club's focus on AI-driven projects.
- **Graphic Design: Vijay Ranwa** detailed essential skills and tools required to create visually compelling digital content.

Interactive Session

Manish Bulchandani led engaging activities such as "Unjumble the Words" and "Guess the Logo," fostering interaction through games that tested problem-solving and brand recognition. Prizes were awarded to winners, adding a competitive yet enjoyable dimension to the event.
