Subject: Domain-focused Session Report

Date: October 05, 2024

Time: 2:00pm to 3:30 pm

We are pleased to present a comprehensive report detailing a series of domain- focused sessions organized for first and second-year students. The sessions were designed to introduce students to various domains and offer them guidance from experienced coordinators.

The event attracted students keen on exploring domains of their interest. Each student selected a domain from the provided options and attended a lecture tailored to give them an introduction to the respective field. All the sessions were interactive, with students actively participating and asking their doubts.

Key Highlights: Domain Sessions

- **Web Development**: Led by Manish Bulchandani, Deepak Joshi, Garvit Soni, Rahul Saini, Sagar Kotai and Arvind Bhati. The session took place in Lecture Room 1 (IT Cell). Students were introduced to web development tools and techniques, with a focus on front-end technologies.

- **AI-ML**: Geetika Singh and Anshul Naval guided students through this session in Lecture Room 2 (IT Cell). The lecture covered the basics of AI and machine learning, along with real-world examples of the applications

- **App Development:** Rajat Soni conducted this session in the DBMS Lab (PG Block). He provided an overview of mobile app development, focusing on flutter technology.

- **Graphic Designing:** Vijay Ranwa and Anoop Narayan led this session in the DBMS Lab (PG Block), introducing students to the principles of graphic design and popular tools.

- **Competitive Programming:** Dhruv Dixit and Aryan Shandliya took charge of this session in the PG Block (Cyber Security Lab). They emphasized algorithmic problem-solving and coding strategies, essential for excelling in competitive programming.

Test and Evaluation:

Department Of Computer Science And Engineering, CTAE Udaipur.

At the conclusion of each session, an online test was conducted to assess the participant's grasp of the concepts covered. The test results will play a key role in determining the enrollment of students in their respective domains, enabling them to continue learning under the mentorship of the lead coordinators.

Special Thanks: -

We extend our sincere appreciation to our dedicated faculties for their unwavering support and seamless coordination.

Dr. Naveen Choudhary Sir, HOD CSE Department.

Dr. Kalpana Jain Ma'am, Assistant Professor CSE Department.

Dr. Anshita Dharmawat Ma'am, Faculty Coordinator.

Mrs. Garima Jain Ma'am, Faculty Coordinator.

(Faculty and Lab Assistant, CSE Department)
