OFFICE ORDER

Ragging is a menace that has plagued educational system of our country. The senior students indulge in ragging to derive a sadistic pleasure and to show off power, authority or superiority over juniors or freshers but often they are ignorant about the disastrous effect that the extreme level of ragging can have on a student's physique, psyche, career and life. In view of the directions of the Hon'ble Supreme Court the University Grants Commission (UGC) has formulated regulations to prohibit, prevent and eliminate the scourge of ragging.

Although our college has good record in this respect but we must always be vigilant about such incidents that may bring a bad name to the college and the university. The incidents of ragging may also invite strict penal actions towards the students and the institution. It is our prime responsibility to adopt a 'zero tolerance' policy towards ragging and make the campus a totally ragging-free campus with the help of all the staff and students. Accordingly, the following Committees and Anti-Ragging Squads are being constituted to keep strict vigil and take appropriate action.

(A) COLLEGE LEVEL ANTI-RAGGING COMMITTEE

It shall monitor the anti-ragging squads and also exercise independent oversight for prevention of ragging in the campus so as to keep the campus as **Ragging Free**. It shall also deal promptly with the cases of ragging including awarding punishments, if any
