

From the desk of
Honorable Vice-Chancellor

I am delighted to know that 1 year B.Tech. students of CTAE are regularly publishing the monthly News letter CTAE Times. I am told that the News letter covers monthly events organized in the institution and showcases the literary and technical creativity of the students. While the publication of such news letter by itself is a creative activity, it enhances the communications skills, helps in personality development and fosters team spirit of young students. These days engineering graduates should not only possess required technical skills but also must have good communication and interpersonal skills for better placement as well as for job security. I am happy that the students of CTAE have taken a step forward in this direction. The CTAE has earned a good name for itself at the national level. This has been made possible not only due to the incessant efforts made by faculty and staff but also due to hard work and competence development made by students.

On the first issue of the present session, I exhort not only to the students of CTAE but to other colleges also to inculcate such spirit and make the best use of their talent during their stay in colleges. They should make the best use of their time to enhance their knowledge beyond the class room learning and improve their personality and communication skills. I would like to congratulate the Students, Dr.M.A. Saloda, ADSW and Dr. B.P. Nandwana, Dean who are encouraging the students for such publications, a robust attempt in shaping young minds and developing them to blossom as enlightened students. I extend my appreciation to the team for such high aspiration, enthusiasm and zeal. Please keep up the good spirit.

Happy journey and best wishes for the future.

Dr. O. P. GILL
Vice-Chancellor, MPUAT

National Workshop

"Distributed Generation and Restructuring of Power Systems"

The Electrical Engineering Department organized a national workshop on "Distributed Generation and Restructuring of Power Systems" on 30th and 31st August, 2013. The seminar was aimed to convey information on ideas regarding the latest trends in the present power systems, industry and intended to convey a scan of challenges with possible solutions. The event ushered with the welcoming address by Dr. Naveen Jain, Convener and Organizing Secretary of the workshop followed by the key note address by Prof. S. N. Singh from IIT Kanpur, and few lines on 'Power Systems of Future' by the Guest of Honor Dr. K. N. Srivastava from ABB (Sweden). The event culminated with the blessings of Dr. B. P. Nandwana, Dean, CTAE. Prof. I.J. Mathur, Director, Directorate of Extension, MPUAT was the Chief Guest in the valedictory ceremony of the workshop.

First Year Orientation Programme

The young techies of CTAE got acquainted with their future knowledge premises through an orientation programme held on 30th July, 2013. Students along with their guardians were informed about the college activities for student development and guided on certain minute details by Dr. B.P. Nandwana, Dean, CTAE & ADSW Dr. M.A. Saloda. To refresh the students and their guardians some snacks were provided. The event was successfully coordinated by Dr. A.K. Mehta, Professor, FMPE Department.

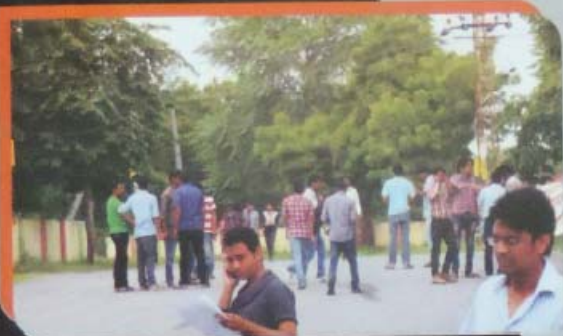

CTAE+ Organization of Events

1. Department of Electrical Engineering organized AICTE sponsored induction training on "Faculty Development Programme" from 10th - 22nd June, 2013 wherein 53 attendants from technical organizations and industries participated.
2. Department of Processing and Food Engineering organized National seminar on "New Vistas in Food Processing with Quality Assurance for Augmenting Rural Prosperity" on 21st and 22nd June, 2013 hosting 150 participants.
3. Dr. Narendra S. Rathore, Ex-Dean, CTAE attended Annual meeting of Consortium Advisory Group (CAG) on Policy for Innovative System for Clean Energy Security System (PISCES) under African Council of Technology System (ACTS) from 7th to 15th June, 2013 at Mombasa Kenya and also attended a meeting conveyed by AICTE for approval of Jaipuria Institute of Management, Jaipur as a part of National Vocational Education Qualification Framework (NVEQF) on 16th June, 2013.
4. Dr. Narendra S. Rathore, Dr. Deepak Sharma & Dr. N.K. Jain delivered a lecture on 'Think, Eat & Save' theme on the occasion of World Environment Day at the Institute of Engineers, Kota on 5th June, 2013
5. Department of Renewable Energy Engineering celebrated World Environment Day by conducting a programme including lecture, a paper presentation and a tree plantation activity.
6. College arranged Board of Study meeting on 17th June, 2013 in which work on RKVY project was presented.
7. College facilitated to conduct Patwari Examination under the Government of Rajasthan on 29th June, 2013.
8. Department of Food & Processing Engineering published 3 Lab manuals covering Food Quality and Food Processing alongwith one book on Glossary of Food Processing and Proceedings under 'New Vistas in Food Processing etc'.
9. Interviews for Contractual teachers/Guest faculty were on 4th and 5th July, 2013 for the departments of Electrical Engineering, Information Technology, Basic Science (Mathematics and English), Computer Science and Engineering, Mechanical Engineering and Civil Engineering, MBA (Technology).
10. Staff Council meeting was held on 24th July, 2013 and minutes of the meeting were sent to all the respective units.
11. Dr.S.K. Dhameja, Mentor TEQIP CTAE Cell visited on 16th and 17th July, 2013 and for a meeting with TEQIP Cell and for interacting with HODs, faculty and Non-Teaching Staff (Ministerial and Teaching).
12. Pre-thesis seminar by Vipal Mansuriya and Arote Praveen, M.Tech. (FMP) was conducted on 16th July, 2013 in the Department of Farm Machinery & Power Engineering, CTAE, Udaipur.
13. A brief talk on "Effective Investment Planning with Tax Saving Avenues" was arranged for the benefit of the employees on 27th July, 2013. The expert delivered his talk on e-filing of Income Tax Return.
14. A presentation was made by an outside expert on 27th August, 2013 on E-learning Solutions in the Department of Computer Science and Engineering.

Student Activities

1. Semester exams for the students of first year B.Tech. completed in the month of June.
2. Planning for construction of student section, Placement & Training Bureau, Golden Jubilee Gate and labs for ECE has commenced.
3. Classes for the students of B.Tech. First Year commenced from 31st July, 2013.
4. Preventive measures have been taken up to stop ragging at this institution and necessary orders have been issued constituting different committees alongwith and strict instructions from Dr. B.P. Nandwana, Dean, CTAE to senior batches to make a ragging free campus. Anti Ragging posters were also put up by Dr. B.P. Nandwana, Dean CTAE and Dr. M. A. Saloda, ADSW at various key locations of institution.
5. PG Admissions were made by the college in all disciplines on 11th and 12th July, 2013 and the vacant seats were filled on 6th July, 2013.
6. PG classes started from 17th July, 2013.
7. B.Tech. II, III & IV Year classes started from 16th July, 2013.
8. Hostels have been allotted to newly admitted students of B.Tech First year.
9. Robotics and Ethical Hacking workshop was organized on 29th August and 10th Sept., 2013 by i3 indiya and Xavoc international. Mumal Mehta, Prateek Sanganeria, Nalini Ranawat and Ankit Balwada, coordinated the event successfully.

ELECTION TIDING

August gave a vent to obstreperous environment apart from the academics. Technical minds were seen invested in campaigning, yoked together and made myriads of efforts to get the power. The session of campaigning was closed 36 hours before polling. The elections were conducted free from strife on 24th Aug 2013 with an impressive participation of 69.7%. The aftermath of elections was a big achievement for the administration. The event culminated with just polling and preparing us to choose right leaders for our representation.

MUKESH GURJAR- College president
BHAVIN SHARMA-College General Secretary
ZAHRA VEECHAVERA-College Joint Secretary.

KISHAN LAL NAGA- University President
HARSHITA JAIN - University General Secretary
RUCHIKA JAIN - University Joint Secretary.

Congratulations To

1. Dr. B.P. Nandwana, Professor & HOD, Department of Mechanical Engineering has taken over the charge as Dean, CTAE, Udaipur.
2. Dr. Narendra S. Rathore, Ex- Dean, CTAE, Udaipur has been appointed as the Deputy Director General (Engineering), ICAR Headquarters, New Delhi.
3. Dr. S. Jindal, Department of Mechanical Engineering has been appointed as Head.
4. Dr. P. K. Singh, Department of Soil and Water Engineering has been appointed as Head.
5. Dr. S.K. Jain, Professor, Department of Processing & Food Engineering has been appointed as Head.
6. Dr. Naveen Jain has been awarded POSOCO- 2013 award for his excellent research work in area of power systems.
7. Dr. K.C. Sharma, Assistant Professor, PHT has been appointed as the programmer of NSS Unit-II CTAE, Udaipur.
8. Dr. S.K. Nanda, Project Coordinator, AICRP, Post Harvest Technology, Central Institute of Post Harvest Engineering & Technology, P.O.P.A.U, Ludhiana conveyed that performance of Udaipur Centre under AICRP on PHT operating at CTAE has been rated as "OUTSTANDING" QRT.
9. Er. Trilok Gupta has been appointed as CLSU Advisor

National Service Scheme

A Communication Skills Workshop was organized by Banyan Root coordinator Jayesh Mohta for NSS Unit 1. The event kindled us with an erratic trudge followed by many games tutoring various knacks of good communication to the students. Simultaneously a quiz competition was organized by the senior volunteers in NSS Unit 2 and an interactive session was held where in students were asked to introduce themselves.

*Press Club Wishes You All
A Very Happy and Prosperous Deepawali*

PRESS CLUB IS EAGERLY AWAITING YOUR SUGGESTIONS
